Principal's Message

At Blossom Hill Elementary School, we are focused on teaching the whole child, with students' needs and interests being top priorities. We meet all students at their developmental level and guide them to higher levels of achievement. Additionally, we work to create a nurturing environment (focusing on social and emotional development) in which every child's talents and interests are explored. Last June, our school was named a California Distinguished School for our strong commitment and innovative approaches to improving achievement and supporting students' well-being.

As a learning community, we are committed to providing an enriched, rigorous, standards-based curriculum that ensures our students are confident, independent learners. At the core of our vision are five basic goals for students: Students will learn to be complex thinkers, quality producers, collaborative workers, self-directed learners, and community contributors. At the same time, the staff provides a safe school environment and strives to incorporate within each child a respect and acceptance of the rights as well as the differences of others. We exhibit pride in the progress and accomplishments of all students as they achieve independence and begin to take personal responsibility for their behavior.

Blossom Hill truly exemplifies a strong home-school partnership. We value and welcome the many families who are visibly dedicated to supporting our students in myriad ways. They donate thousands of volunteer hours by working in classrooms, the library, the office, beautifying the school grounds, organizing activities, serving on school wide committees, chaperoning field trips, and supporting our "fun"-raising activities. We are grateful for their partnership and believe it is critical to ensuring all students reach their potential.

Lisa Reynolds, Principal

School Mission Statement

The Blossom Hill Elementary School community takes pride in providing an enriched standards-based curriculum in a safe, nurturing environment. We strive to appreciate an awareness of students' developmental needs to help them progress toward independence.

School Vision Statement

All students will have the necessary skills to become enthusiastic, lifelong learners and productive, empathetic, respectful members of society.

Parental Involvement

Parents are a very active and integral part of the education process at Blossom Hill. Their involvement and firm commitment to the pursuit of excellence in education is an essential element in our success. Parents volunteer in the classrooms, the ABC Reader program, the Read Naturally program, the Art Docent program, on field trips, and serve as editor of our weekly Beehive newsletter. Parents coordinate activities such as the Book Fairs, Authors/Science Fairs, and the annual school theater and chorus productions. They also sponsor fundraising events such as the Harvest Festival and The Hive. The Home and School Club is an important financial source of support for the school and funds many different programs such as Read Naturally (primary reading intervention), Accelerated Reader, Noon Sports, and the K-3 PE program. Blossom Hill parents are true partners with the school as shown by an almost perfect attendance rate at parent-teacher conferences and an overwhelming attendance at Back-to-School Night and Open House.

For more information about becoming involved at our school, please contact Principal Lisa Reynolds at (408) 335-2100, or visit our school website at <http://bh.lgusd.org>. Follow the link to the Home & School Club page, or contact president@blossomhill.org.

School Safety

Our School Safety Plan is updated annually. The School Safety Plan was most recently reviewed, updated, and revised with school faculty and the School Site Council (SSC) in May 2014. The School Safety Plan addresses recommendations about campus security, school climate, character education, and school governance. We align our discipline policies with the California Education Code, and we expect students to meet high standards for behavior. Our staff monitors students before school, after school, and at recess time. The school community also participates in regularly scheduled drills for fire, earthquake and other potential emergencies. Opportunities to debrief drill performance occur after each drill and feedback is provided to students and staff. All staff participates in emergency preparedness trainings each semester.

District Mission Statement

Los Gatos Union School District educates all children to their unique potential by teaching, modeling, and supporting the skills and attitudes that contribute to their development as globally and socially responsible citizens.

District Vision Statement

All students know their individual learning styles and talents, think creatively and critically, act responsibly, communicate effectively, and apply knowledge in a diverse and ever-changing world.

2013-14 School Accountability Report Card — Published during the 2014-15 school year

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Enrollment by Grade Level

The bar graph displays the total number of students enrolled in each grade for the 2013-14 school year.

2013-14 Enrollment by Grade

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates

Blossom Hill ES			
	11-12	12-13	13-14
Suspension rates	0.4%	0.0%	0.4%
Expulsion rates	0.0%	0.0%	0.0%
Los Gatos Union ESD			
	11-12	12-13	13-14
Suspension rates	1.2%	1.0%	1.3%
Expulsion rates	0.0%	0.0%	0.0%
California			
	11-12	12-13	13-14
Suspension rates	◇	◇	◇
Expulsion rates	◇	◇	◇

Enrollment by Student Group

The total enrollment at the school was 674 students for the 2013-14 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2013-14 School Year

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size.

Average Class Size

Three-Year Data Comparison

Number of Classrooms by Size

Three-Year Data Comparison

Grade	2011-12			2012-13			2013-14

Students receiving Migrant Education services	❖	

Standardized Testing and Reporting Results for All Students

The table below shows the percentage of students who scored at Proficient or Advanced levels (meeting or exceeding state standards) in English language arts and mathematics. Because of the new CAASPP field-testing in the spring of 2014, there are no scores to be reported. The last available scores under the STAR Program are shown.

Students Scoring at Proficient or Advanced Levels				Three-Year Data Comparison					
	Blossom Hill ES			Los Gatos Union ESD			California		
Subject	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
English language arts	90%	91%	88%	86%	87%	85%	54%	56%	55%
Mathematics	90%	90%	88%	82%	82%	81%	49%	50%	50%

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

Beginning in the 2013-14 school year, the Standardized Testing and Reporting (STAR) Program was eliminated and replaced by a new set of assessments called the California Assessment of Student Performance and Progress (CAASPP).

Because of the state's adoption of the Common Core State Standards and implementation of a new student-testing system, limited data is available to report in the SARC.

For the 2013-14 school year, the CAASPP included the Smarter Balanced Assessments, alternate, science, and other optional assessments.

In the spring of 2014, California began field-testing the Smarter Balanced Assessments in English language arts and mathematics. These tests were not officially scored, so there is no data to report.

The science assessments of CAASPP included the California Standards Test (CST), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA), similar to the STAR Program. Therefore it is acceptable to make comparisons to previous year results.

The CST is a multiple-choice test in science for varying grade levels. The CMA is a modified assessment for students with disabilities who have an Individualized Education Plan (IEP). The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications, or the CMA with accommodations.

For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

Academic Performance Index

The Academic Performance Index (API) is a numeric rating system that reflects a school and district's performance level based on the results of annual statewide student assessments. It is used to measure the academic performance and progress of the schools within California. Individual outcomes are converted to points on the API scale and then averaged across all students and all tests, resulting in a single number, or API score, measured on a scale from 200 to 1,000. This score reflects the school, district or a student group's performance level based on the results of statewide testing. The state has set an API score of 800 as the statewide target.

With a complete change of the K-12 education system, the State Board of Education temporarily suspended API. No API scores or ranks will be calculated for the next two years, as California continues the transition to the new Common Core State Standards and California Assessment of Student Performance and Progress.

To learn more about API, please visit www.cde.ca.gov/ta/ac/ap for the API information guide and www.cde.ca.gov/ta/ac/ar/apfaq.asp for information on the changes to API.

API Ranks

Schools are ranked in 10 categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide API rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle or high school). A "similar schools API rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools' API rank.

API Ranks			
Three-Year Data Comparison			
	2011	2012	2013
Statewide API Rank	10	10	10
Similar Schools API Rank	7	8	7

API Growth by Student Group

Assessment data is reported only for numerically significant groups. To be considered numerically significant for the API, the group must have either: at least 50 students with valid STAR scores who make up at least 15 percent of the total valid STAR scores, or at least 100 students with valid STAR scores. This table displays, by student group, first, the 2013 Growth API at the school, district and state level followed by the actual API change in points added or lost for the past three years at the school.

API Growth by Student Group				2013 Growth API and Three-Year Data Comparison		
Group	2013 Growth API			Blossom Hill ES – Actual API Change		
	Blossom Hill ES	Los Gatos Union ESD	California	10-11	11-12	12-13
All students	951	929	790	-3	5	-8
Black or African-American	❖	918	707	■	■	■
American Indian or Alaska Native	❖	923	742	■	■	■
Asian	991	967	906	■	■	-3
Filipino	❖	❖	867	■	■	■
Hispanic or Latino	836	843	743	■	■	■
Native Hawaiian or Pacific Islander	❖	❖	773	■	■	■
White	949	929	852	-11	7	-8
Two or more races	983	970	845	■	■	■
Socioeconomically disadvantaged	833	737	742	■	■	■
English learners	931	850	717	■	■	■
Students with disabilities	760	717	616	■	■	■

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

■ Data are reported only for numerically significant groups.

Adequate Yearly Progress

The federal Elementary and Secondary Education Act (ESEA) requires all schools and districts meet Adequate Yearly Progress (AYP) requirements. Because California is changing the assessments and the accountability system it uses to evaluate school performance, the U.S. Department of Education has approved a waiver to allow California not to make Adequate Yearly Progress determinations for elementary and middle schools. They will receive the same AYP determinations as in 2013.

High schools will not be affected by this waiver and will continue to receive AYP determinations because they are based on California High School Exit Exam (CAHSEE) results and graduation rates.

For more information on Adequate Yearly Progress, please visit www.cde.ca.gov/ta/ac/ay.

Adequate Yearly Progress Criteria		2013-14 School Year
	Blossom Hill ES	Los Gatos Union ESD
Met overall AYP	**	**
Met participation rate		
English language arts	**	**
Mathematics	**	**
Met percent proficient		
English language arts	**	**
Mathematics	**	**
Met graduation rate	✕	✕

Federal Intervention Program

Schools and districts receiving Title I funding that fail to meet AYP over two consecutive years in the same content area (English language arts or mathematics) or on the same indicator (API or graduation rate) enter into Program Improvement (PI). Each additional year that the district or school(s) do not meet AYP results in advancement to the next level of intervention. The percent of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

Due to the waiver that allows California to use the same AYP determinations as 2013, no new schools will enter or exit Program Improvement, and current PI schools will not advance a year in their PI status. This table displays the 2014-15 PI status for the school and district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Federal Intervention Program		2014-15 School Year
	Blossom Hill ES	Los Gatos Union ESD
Program Improvement status	Not Title I	Not Title I
First year of Program Improvement	◇	◇
Year in Program Improvement*	◇	◇
Number of schools identified for Program Improvement		0
Percent of schools identified for Program Improvement		0.00%

** For 2014, only high schools and high school local educational agencies (LEAs) that enrolled students in grades nine, ten, eleven, and/or twelve on Fall Census Day in October 2013 will receive an AYP Report. Because students in grades three through eight participated in the Smarter Balanced Field Test during the 2013-14 academic year, the U.S. Department of Education approved a determination waiver for California which exempts elementary schools, middle schools, elementary school districts, and unified school districts from receiving a 2014 AYP Report.

✕ Not applicable. The graduation rate for AYP criteria applies to high schools.

* DW (determination waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.

◇ Not applicable.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The *Fitnessgram*® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the *Fitnessgram*®. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Percentage of Students Meeting Fitness Standards	
2013-14 School Year	
Grade 5	
Four of six standards	2.70%
Five of six standards	19.50%
Six of six standards	76.10%

Currency of Textbook Data

This table displays the date when the textbook and instructional materials information was collected and verified.

2014-15 School Year

Data collection date	09/2014
----------------------	---------

Professional Development

Each year, Blossom Hill teachers participate in professional-development training. Recent topics of staff development have included building a professional learning community, curriculum mapping, common formative and summative assessments, math instruction, differentiated instruction (adapting instruction to meet the varying learning needs and styles of students), 21st Century Skills, and school safety.

Weekly collaboration time is dedicated to curriculum development and assessment. This work is guided by four essential questions to ensure upward mobility for all students:

- What do we want each student to learn?
- How will we know when each student has learned it?
- How will we respond when a student experiences difficulty in learning?
- How will we respond when they already know the material?

During bimonthly staff-development meetings, teachers work on schoolwide areas of focus such as school goals, curriculum articulation, technology integration, and safety training. Staff also has opportunities to attend conferences and workshops related to school improvement goals.

The following number of school days were dedicated to staff and professional development for the previous three school years:

- 2012-13: Three full days
- 2013-14: Three full days
- 2014-15: Three full days

Textbooks and Instructional Materials

For more than six years, panels of scholars have decided what California students should learn and be able to do. Their decisions are known as the California Content Standards, and they apply to all public schools in the state. The textbooks we use and the tests we give are based on these content standards, and we expect our teachers to be firmly focused on them. Policy experts, researchers, and educators consider our state's standards to be among the most rigorous and challenging in the nation.

We choose our textbooks from lists that have already been approved by state education officials.

The district has affirmed that each pupil, including English learners, has their own textbook to use in class and to take home.

Textbooks and Instructional Materials List

2014-15 School Year

Subject	Textbook	Adopted
English-Language Arts	Houghton Mifflin (K-5)	2003
Mathematics	<i>My Math</i> , McGraw-Hill	2014
Science	Delta Education; FOSS, California Edition	2008
History-Social Science	Pearson Scott Foresman (K-3)	2007
History-Social Science	Houghton Mifflin (4-5)	2007
English-Language Arts	Houghton Mifflin (K-5)	2003

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject

2014-15 School Year

Blossom Hill ES	Percent Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	0%
Foreign Language	0%
Health	0%

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks

2014-15 School Year

Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

School Facility Items Inspected

The tables show the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas systems and pipes, sewer, mechanical systems (heating, ventilation and air-conditioning)
- **Interior:** Interior surfaces (floors, ceilings, walls and window casings)
- **Cleanliness:** Pest and vermin control, overall cleanliness (school grounds, buildings, rooms and common areas)
- **Electrical:** Electrical systems (interior and exterior)
- **Restrooms/fountains:** Restrooms, sinks/drinking fountains (interior and exterior)
- **Safety:** Fire-safety equipment, emergency systems, hazardous materials (interior and exterior)
- **Structural:** Structural damage, roofs
- **External:** Windows, doors, gates, fences, playgrounds, school grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2014-15 School Year	
Items Inspected	Repair Status	Items Inspected	Repair Status
Systems	Good	Restrooms/fountains	Good
Interior	Good	Safety	Good
Cleanliness	Good	Structural	Good
Electrical	Fair	External	Good
Overall summary of facility conditions		Good	
Date of the most recent school site inspection		10/20/2014	
Date of the most recent completion of the inspection form		10/20/2014	

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2014-15 School Year
Items Inspected	Deficiencies, Action Taken or Planned, and Date of Action	
Interior	Replaced ceiling tiles stained due to condensation. Drip pans installed to catch condensation from air handlers. Edge guards installed on corridor corners to prevent further paint chipping. Repairs made in October, 2014.	
Electrical	Six canopy mounted light fixtures with water penetration were replaced with water-tight fixtures in October, 2014.	

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-serve basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Facilities

As part of the district's Facilities Master Plan, we opened the 2007-08 school year in a new, modernized facility after completing a two-year construction project. The new facility has two wings that were completely modernized, two two-story buildings that house classrooms, a computer lab, two conference rooms, and a beautiful library with window-seats, a story-time area, instructional area, and computers for research and reference. In addition, a new cafeteria/multipurpose room and kindergarten complex were added, as were two flex rooms for science, art, and music. Air conditioning was added to all of the buildings. New furniture was purchased for all rooms and offices. Our school was fully landscaped with grass, trees, flowerbeds, and tanbark inside and around the campus. Our fields were renovated, and sod was purchased by the Home & School Club to refurbish the entire property.

Blossom Hill opened in 1958 and was remodeled in 2007. This new construction gives us the opportunity to provide a safe, clean, and well-maintained campus for student education.

Maintenance crews perform repairs as soon as item deficiencies are reported to keep the school in the best possible condition. Blossom Hill has a custodial staff of one day custodian and two night custodians, which perform cleaning duties on a daily basis of the entire campus.

On an average day, 670 students and 45 staff members occupy these buildings.

Technology is an important part of the educational program and environment at Blossom Hill. All classrooms are connected to the Internet. We have a fully equipped Intel iMac computer lab that can accommodate 30 students, as well as multiple mobile laptop carts that travel classroom to classroom. All fourth- and fifth-grade students have 1:1 access to laptop computers. Students in all grade levels work on specific projects and programs that support the implementation of the Common Core State Standards and enhance the classroom curriculum. Each teacher is provided a laptop computer and has access to email and the Internet. To see more about the software, programs, and projects our students are working on, visit the technology page on our school website at <http://bh.lgusd.org>.

Types of Services Funded

Supplemental financial support for our students comes from our Home & School Club, the district's education foundation, state and federal funding including Title I and School Improvement Program funds. These funds are used to supplement our general, early literacy, technology, second language, and P.E. programs, as well as support for students with social, emotional, or academic difficulties. We contract with a local counseling support provider to assist with social and behavioral counseling intervention. We also use supplemental funds for additional staff, teacher training, and support materials.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2013-14 School Year	
Academic Counselors	
FTE of academic counselors	0.000
Ratio of students per academic counselor	✧
Support Staff	FTE
Social/behavioral or career development counselors	0.270
Library media teacher (librarian)	0.000
Library media services staff (paraprofessional)	0.825
Psychologist	0.500
Social worker	0.000
Nurse	0.280
Speech/language/hearing specialist	0.700
Resource specialist (non-teaching)	0.800

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information	Three-Year Data Comparison			
	Los Gatos Union ESD	Blossom Hill ES		
Teachers	14-15	12-13	13-14	14-15
With full credential	158	31	29	29
Without full credential	0	0	0	0
Teaching outside subject area of competence	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions	Three-Year Data Comparison		
	Blossom Hill ES		
Teachers	12-13	13-14	14-15
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

Core Academic Classes Taught by Highly Qualified Teachers

The No Child Left Behind Act (NCLB) extended ESEA to require that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated competence for each core academic subject area he or she teaches. The table displays data regarding highly qualified teachers from the 2013-14 school year.

High-poverty schools are defined as those schools with student participation of approximately 40 percent or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 39 percent or less in the free and reduced priced meals program. For more information on teacher qualifications related to NCLB, visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers	2013-14 School Year	
	Percent of Classes in Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
Blossom Hill ES	100.00%	0.00%
All schools in district	100.00%	0.00%
High-poverty schools in district	✧	✧
Low-poverty schools in district	100.00%	0.00%

✧ Not applicable.

Financial Data

The financial data displayed in this SARC is from the 2012-13 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note the district salary data does not include benefits.

District Salary Data			2012-13 Fiscal Year
	Los Gatos Union ESD	Similar Sized District	
Beginning teacher salary	\$49,895	\$41,535	
Midrange teacher salary	\$75,931	\$64,101	
Highest teacher salary	\$95,579	\$82,044	
Average elementary school principal salary	\$130,930	\$104,336	
Average middle school principal salary	\$140,318	\$107,911

Administrative salaries — percent of budget	6%	6%	

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison			2012-13 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary	
Blossom Hill ES	\$5,442	\$79,364	
Los Gatos Union ESD	\$7,058	\$80,063	
California	\$4,690	\$67,289	
School and district — percent difference	-22.9%	-0.9%	
School and California — percent difference	+16.0%	+17.9%	

"At Blossom Hill Elementary School, we are focused on teaching the whole child, with students' needs and interests being top priorities."

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2012-13 Fiscal Year	
Total expenditures per pupil	\$6,334
Expenditures per pupil from restricted sources	\$892
Expenditures per pupil from unrestricted sources	\$5,442
Annual average teacher salary	\$79,364

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education (CDE), school, and district offices. For additional information on California schools and districts, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners. For further information regarding the data elements and terms used in the SARC see the *Academic Performance Index Reports Information Guide* located on the CDE API Web page at www.cde.ca.gov/ta/ac/ap. Per *Education Code* Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1 of each year.

All data accurate as of December 2014.
